"The coolest place in the valley"

The Ham Arena, Mount Washington Valley's year-round ice skating facility has the second largest ice sheet in New Hampshire. With a seating capacity of 450, an estimated 250,000 people visit and utilize the facility annually.

Of our guests, 1/3 are visitors to the area and utilize local lodging accommodations, restaurants, retail and outlet stores as well as the many attractions this area has to offer. Ham Arena presently hosts about a dozen or more ice hockey tournaments annually, and a curling bonspiel most drawing participants from the northeast U.S. and Canada. Each tournament generates as many as 80 overnight rooms at local lodging establishments, frequently staying multiple nights.

The Ham Arena is home to the Mt. Washington Valley Youth Hockey Association. Each of its travel teams play at least 15 home games between October and March, hosting teams throughout N.H. and Maine. Many visiting hockey families look forward to their games at The Ham Arena and often plan shopping, ski trips and other local activities around their hockey games.
